 - 1)
 - 2)
8. For each of the following sites, fill in the appropriate answer:
 - a. Hadar, Ethiopia
 - i. Famous Fossil:
 - ii. Found by:
 - iii. Age of Fossil:

- iv. Binomial Classification:
- b. Laetoli, Tanzania
 - i. Important because:
 - ii. Attributed to which hominin:
 - iii. Found by:
- c. Lake Turkana, Kenya (1985)
 - i. Famous Fossil:
 - ii. Found by:
 - iii. Age of Fossil:
 - iv. Binomial Name:
- d. Lake Turkana, Kenya (1995)
 - i. Binomial Name:
 - ii. Found by:
 - iii. Age of Fossil:
- e. Middle Awash Valley, Ethiopia
 - i. Binomial Name:
 - ii. Found by:
 - iii. Age of Fossil:
- f. Lake Turkana, Kenya (2001)
 - i. Binomial Name:
 - ii. Found by:
 - iii. Age of Fossil:

9. Name each of the following fossils and list their defining characteristics:

Genus & Species:

Identifying Characteristics:

- 1)
- 2)
- 3)
- 4)

Genus & Species:

Identifying Characteristics:

- 1)
- 2)
